

## New Print in Exhibition at Tokyo Metropolitan Museum of Art

Tuesday, 11 November 2008

A new woodblock print of mine will be on display at this year's Japan Print Society Exhibition at the Tokyo Metropolitan Museum of Art in Ueno Park from 11/23-29th. The Museum is open from 9am to 5pm. Admission is free. My print is of the fireworks festival at the Sumida River. Anyone in Tokyo should check it out! I'll be uploading photos after the opening.
